

InstaSpyProBot Price List

Version dated 20.07.2026

Paid access to an online service for working with publicly available content and tracking new posts from public profiles.

1. Free mode

Without payment, up to 10 requests per day are available without profile tracking. Free limits may change under the service terms.

2. Paid plans

USD amounts are fixed approximate display values. Payment is charged in Russian rubles at the RUB prices stated below.

2.1. Lite - 15 days access

- Display price: \$4 approximately; payment amount: 299 RUB.
- Request limit: 20 per day.
- Tracking: up to 5 public profiles.

2.2. Pro - 30 days access

- Display price: \$7 approximately; payment amount: 499 RUB.
- Request limit: 50 per day.
- Tracking: up to 15 public profiles.

2.3. Pro - 90 days access

- Display price: \$18 approximately; payment amount: 1,290 RUB.
- Request limit: 50 per day.
- Tracking: up to 15 public profiles.

2.4. Team - 30 days access

- Display price: \$18 approximately; payment amount: 1,290 RUB.
- Request limit: 100 per day.
- Tracking: up to 40 public profiles.

2.5. Team - 90 days access

- Display price: \$48 approximately; payment amount: 3,490 RUB.
- Request limit: 100 per day.
- Tracking: up to 40 public profiles.

3. How access is provided

Payment is one-time, with no automatic renewal.

- The user selects a plan and proceeds to payment.
- After payment confirmation, the plan is activated for the user's account.
- The access period starts at activation, and the request limit refreshes daily.

4. Service delivery, cancellation and refunds

The service is delivered electronically: paid access is activated in the Telegram bot after payment confirmation. No physical delivery is required.

Before payment, the user may cancel by not completing the transaction. To request a refund after payment, contact support and provide the Telegram ID or username, payment date and amount, payment method, and transaction identifier.

Requests are reviewed under section 6 of the public offer and applicable Russian law.

Full service and refund terms: <https://instaspyprobot.io/en/oferta>.
